

CARROLL WATER WORK-APPLICATION FOR WATER FOLLOWING:

Applications for water service shall be completed by property owners or their Agent. If the application is submitted by their Agent, the application must be accompanied by a letter from the property owner giving the agent permission to act on their behalf.

Please refer to attached rules and regulations for proper installation instructions and necessary inspections. Any questions should be directed to the Water Superintendent before installation.

No physical connection of water service line to the Carroll Water Works distribution main line will be made between November 1ST and April 15th unless previously coordinated and authorized by the Selectmen or its authorized representative.
