

May 3, 2022

Good evening,

I have previously submitted my resignation to be effective May 9th.

I would like to inform the board that as the moving process has taken place, I am going to be laying my head in Twin Mountain until May 14th.

I would like to gladly offer to extend my resignation to be effective May 14th which would allow me to attend the May 11th School apportionment committee meeting at which time I will announce that Chris Pappas will be taking over that seat as a select board of Carroll representative.

This has been a long road to get to where we are and I would like to do my part and help the town by representing them on this matter on May 11th.

I appreciate any consideration for this extension and have my resignation to be effective on May 14th.

Rob
