

Please accept this as my letter of interest in the select board position being vacated by Robert Gauthier Jr with his resignation.

- 1) Discuss your understanding of the role of an individual select board member versus the role of the entire Select Board:

Individual Select Board Member is to bring their ideas along with those of the residents of Carroll to the board to discuss as a team. He / She has to take an active role in the discussion and make an unbiased decision on all issues before the board.

The Carroll Select Board is a team of 3 members that help to guide and run the town from budgeting to managing and policies for the town of Carroll.

- 2) Discuss what you see as Carroll's strengths and weakness and how your ideas on how to approach promoting the former and improving the latter:

Strength - Carroll is a growing town with a diverse population and strong community pride.

Weakness - A weakness of the town of Carroll is it is difficult to obtain volunteers for any board or committee in town.

Ideas on how to approach promoting the former and improving the latter:

I have volunteered to assist the committee working on the 250th anniversary of the Town of Carroll.

I hope to entice new and old residents to join committees / boards and become more involved in our community.

- 3) Discuss why you would like to serve as a Select Board member:

I like to help improve the town and move it forward while providing a voice for the town residents. I was previously a Select Board member and enjoyed serving the needs of Carroll. I feel I understand the needs and desires of the residents of Carroll and would make an effective Select Board member.

Thank you for your consideration.

Sincerely,

Brian Mycko
